HYBRID TEACHING FORMAT

In line with a decree from the Minister of Education of Argentina for all private and public universities, the University of Belgrano has adopted a hybrid teaching format for our MBA Program. This approach combines synchronous live online classes with a few essential in-person sessions.

PROGRAM DELIVERY DETAILS

Mode of Instruction: The core of the program will be delivered through live online classes accessible globally, scheduled from Monday to Friday, 7 PM to 10 PM.

In-Person Requirement: To enrich the learning experience, there will be 3-4 mandatory full-day sessions per semester in Buenos Aires, integral for direct interaction with faculty and peers.

Flexibility: Although it's not mandatory to reside in Buenos Aires for the entire program, we highly recommend doing so. Being in the city enhances your opportunity to immerse in the local culture, engage in networking, and seek employment. Staying locally also allows you to improve your Spanish language skills and vocabulary through mandatory in-person Spanish language courses and culturally immersive activities with other Mente Argentina Participants.

Visa and Residency: The hybrid format of the program is fully compatible with student visa requirements. Students are encouraged to arrive early for intensive Spanish courses and have the flexibility to travel in and out of Argentina according to their academic and preferred schedule.
